Dedication

For four years now Mr. Dave Russo has been the advisor for James Logan's "Epitaph". Each year when the subject of dedication came up, it was suggested that the yearbook be dedicated to "Coach" Russo, and each year Coach would refuse.

But this year, with the help of Pat Woodman, and Harold Humes, of Taylor Publishing Company, we were able to do it without his knowledge.

So "Coach", this is your book. We thank you for everything you've done for us. We cherish the memories of the class and value the lessons we've learned in here. Thank's "Coach" and God Bless You!

Dedicated to: Scott Wayne Matthews

Let me tell Ya . . .

Let me tell ya 'bout a guy . . .
Who lived a while but had to die,
Scott Wayne Matthews was his name.
But, since he's gone, things just ain't
the same!

He never got straight A's in school,
and half the time he played the fool.
Playing the fool was his favorite part,
but I know he had a heart!

He played tricks on lots of folks,
But there was no meanness in his jokes
he wasn't in church when they called
roll,
But I know he had soul!

Now Scott never did nothin great,
but he's a guy you'd appreciate.
He could laugh, sing, fight and dance,
and he might have done more if he'd had the
chance.

Just cuz he had no fear,
A .22 took him away from here.
Yes — just cuz he showed no fear,
A .22 took him away from here . . .

Lots of peoples know or don't care,
But if there's a heaven, I know he's there,
And if he ain't — one thing I know
It's no place I want to go!

Cuz if they'd keep Scott out, I fear
heaven must be just like here.
Yes, if they'd keep Scott out, I fear
heaven must be just like here!

Scott I missed you,
Scott I cared.
But there's just one thing I can't bear
I'm here and you are there
Yes — I am here and you are there!
Yes — I am here and you are there!

1973 Logan Football will feature a new 7 team league. The addition of American and Memorial High Schools will make the new league both exciting and challenging. Logan High, led by Linebacker, Tom Hoyt, and Running back Leonard Eisen, should challenge Mission, Irvington, and Washington for the top spot. How well the Colts fair should be determined quickly, as 2 Bay Area powers, Marina and San Leandro are scheduled as the two practice games.

The Colts will have 6 returning lettermen and a fine group of JV's joining the Varsity this year. The Lettermen include Eisen, Hoyt, Joe Elder, Jim Pegram, Manuel Silva, and Oscar Herrera. Newcomer Art Reyes is a fine transfer guard, and Paul Jorgenson, Bob Mendes, and Mark Herrera should also contribute towards Logan's success this year.

Varsity Cross-Country

Led by Senior runners Matt Dutra, Bill Hardy, and Ed Gowan, also Claude Charron, and at times with super-sophomores Jeff Adams and Scott Mitchell. The Varsity Cross-Country team compiled the best school record in almost 8 years. Their record of 9-1 is a 300% improvement over last year.

This year James Logan had one of the greatest Frosh-Soph Cross-Country teams ever. Logan opened the season by winning it's first three meets. Jeff Adams and David Hemphill opened the season in winning fashion as they crossed the finish line, side by side.

Harold Potter, Jerry Searcy, and Homer Moreno also aided in Logan's victories by placing in the top 10 in all three races.

After opening the league with an impressive 19-43 victory over Memorial, Logan met two of the strongest teams in the area, Irvington and Kennedy. Jeff Adams continued his winning ways with a record breaking time of 10:39 over the tough Logan course.

On Nov. 1, Logan moved its four best sophomores (Jeff Adams, Scott Mitchell, Jerry Searcy, and Homer Moreno) up to run varsity. This was a historical day for Logan because it beat Mission for the first time since 1968, by a score of 26-31. Logan also beat Washington for the first time since 1968, by a score of 24-33, extending its record to 9-1. This could not have been possible without the aid of the Frosh-Soph team.

By the time these young men are Juniors and Seniors, Logan will definitely be one of the strongest teams in the country. This is something Logan can be proud of.

This years wrestling team is a young team with only four starting seniors. Flores, Munoz, Pennington, and Bockman. I feel that we have several juniors such as Gonzales, Sabenorio, and Charron who will do a great job for us this year. We have a young team this year but I feel that if the younger wrestlers improve we can have a successful season this year.

Hard Work Key to Courier Success

By Mr. Kalb
Advisor to the Courier

It has been a great pleasure working with this year's COURIER staff which is by far the hardest working and most talented group I have ever advised.

This is a staff that takes great pride in learning the journalistic values necessary to produce a quality product. It is a staff that learns from its mistakes while maintaing its drive to be the best.

While realizing that perfection is an impossible goal, this COURIER staff never gives up trying to reach that goal and knows that striving to be great is often its own reward.

Yet, there have been other rewards. During that last two years, The COURIER has been consistently recognized as one of the best high school newspapers in the Bay Area. The COURIER has taken various trophies, plaques, and certificates of excellence at the competitive East Bay Journalism Conference and at the Tri-City Journalism Conference. Quill and Scroll, the nationally acclaimed journalistic honor society also chartered The COURIER this year.

Like any great team, The COURIER has its standout performers. Editor-in-chief Scott Daugherty has been a take charge leader who leads through example by serving as part time sports editor, sports writer, photographer, graphics helper, advertising manager, editorial page editor, editorial writer, feature writer, and news writer. All this while being an excellent and well-respected editor-in-chief. This year has been the culmination of three years of hard work, learning, and the development of values for Scott who has shown greater varsatility and responsibility than any other past editor-in-chief.

This years COURIER would not have been the same without the always consistent and reliable junior Pat Soares who uncomplainingly worked around the clock in various capacities. There were very few headlines not composed by Pat who asked for no recognition and took her reward in perfecting her skills.

The multi-talented Sue Smith has also added a great deal to The COURIER. Only a sophomore, she is an excellent writer, stairist, cartoonist, proofreader, page editor, and DAILY-REVIEW teen page correspondent. Her cartoon, printed in the REVIEW, was the first ever by a high school student printed by that newspaper.

The COURIER's future looks bright with the names of Pat Soares and Sue Smith in its masthead.

Writer-satirist par excellence, Wayne Johnson has given The COURIER a much needed dimension this year: humor. His droll "Carla Courier" contributions were universally applauded throughout the campus while his clever fables are in the tradition of the great American journalists, George Ade and James Thurber. He has also served as a page editor when needed and will be sorely missed when he graduates.

Other outstanding staffers include John Graves, Robert Haley, Jan Weise, and Robert Kirk.

Due to the efforts of these students, The COURIER's tradition of excellence will continue in the future.

Courier Honored at Chabot

A group of nine students from The COURIER staff represented Logan High School at the 10th annual East Bay Journalism Conference held at Chabot College on Saturday October 13th.

The COURIER staff, along with advisor, Mr. Kalb, separated into smaller groups of 2 or 3 to attend various instructional sessions during the morning and mid-afternoon.

The subjects of the sessions included news, sports, and feature writing, photograph, page layout, and newspaper critique.

During the awards presentation, held at the end of the day, The COURIER was honored with a first place plaque and a third place trophy, in competition with over 30 Bay Area high schools.

The COURIER tied St. Elizabeth High for first place for the Outstanding Feature and Editorial section. In the ridgid judgment of the San Jose Mercury judge, the Feature-Editorial page was rated an outstanding 10 out of 10 score. The judges felt that this section was all that could ever be expected out of a high school paper for that section of the newspaper.

COURIER Feature Editor, Janalyn Weise, was awarded a 3rd Place Trophy in the On-the-Spot Feature Writing Contest. Jan was also commended for her outstanding writing in the Feature section of The COURIER.

Also in attendance from The COURIER were Bob Haley and Wayne Johnson, Assistant Feature Editors; Alex Quinata, Assistant Sports Editor; Scott Daugherty, Editor-in-Chief, along with staff writers Rhonda South, Pat Soares, Martha Kapteyn and Photographer Rob Hastings.
